Proposed code or area of interest	Name	Description
Section B FARMDOC		
B14-H01M	Larynx cancer	This code is now discontinued and will be transferred to B14-H01K2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01N	Lung cancer	This code is now discontinued and will be transferred to B14-H01K3. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01P	Multiple myeloma	This code is now discontinued and will be transferred to B14 H01L1. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01Q	Non-Hodgkin's lymphoma	This code is now discontinued and will be transferred to B14H01G2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01R	Oesophageal cancer	This code is now discontinued and will be transferred to B14 H01E2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01S	Ovarian cancer	This code is now discontinued and will be transferred to B14-H01F3. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01T	Pancreatic cancer	This code is now discontinued and will be transferred to B14-H01E6. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01U	Prostate cancer	This code is now discontinued and will be transferred to B14-H01F4. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01V	Rectal cancer	This code is now discontinued and will be transferred to B14-H01E7. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01W	Skin melanoma	This code is now discontinued and will be transferred to B14-H01C. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01X	Stomach cancer	This code is now discontinued and will be transferred to B14-H01E8. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01Y	Testicular cancer	This code is now discontinued and will be transferred to B14-H01F5. All records containing this code from 2005 will be updated and this code will no longer be searchable.
B14-H01Z	Thyroid cancer	This code is now discontinued and will be transferred to B14-H01D2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
Section C AGDOC		
C14-H01M	Larynx cancer	This code is now discontinued and will be transferred to C14-H01K2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01N	Lung cancer	This code is now discontinued and will be transferred to C14-H01K3. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01P	Multiple myeloma	This code is now discontinued and will be transferred to C14 H01L1. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01Q	Non-Hodgkin's lymphoma	This code is now discontinued and will be transferred to C14H01G2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01R	Oesophageal cancer	This code is now discontinued and will be transferred to C14 H01E2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01S	Ovarian cancer	This code is now discontinued and will be transferred to C14-H01F3. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01T	Pancreatic cancer	This code is now discontinued and will be transferred to C14-H01E6. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01U	Prostate cancer	This code is now discontinued and will be transferred to C14-H01F4. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01V	Rectal cancer	This code is now discontinued and will be transferred to C14-H01E7. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01W	Skin melanoma	This code is now discontinued and will be transferred to C14-H01C. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01X	Stomach cancer	This code is now discontinued and will be transferred to C14-H01E8. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01Y	Testicular cancer	This code is now discontinued and will be transferred to C14-H01F5. All records containing this code from 2005 will be updated and this code will no longer be searchable.
C14-H01Z	Thyroid cancer	This code is now discontinued and will be transferred to C14-H01D2. All records containing this code from 2005 will be updated and this code will no longer be searchable.
